Unearth the truth about Jesus! Want to discover who Jesus is, why He came, and how He lived? These short devotions, activities, prayer prompts, and archeological facts will help you dig deep into God's Word for the answers. So grab your tools, join the dig, and search for truth!

This is an imaginative and inspiring tale of how the watermelon came to share the story of Jesus (Yahshua). The story is told through the perspective of the Gethsemane garden characters—the olive trees, the animals, the rocks, and the birds. Readers of all ages will never view a watermelon or nature the same way again! God's Plan for your Life Begins with Your Salvation Jesus said, "Ask, and it will be given to you: seek, and you will find; knock, and it will be opened to you." (Matthew 7:7) Ask God to reveal Himself to you. Start by reading the New Testament in the Bible. Remember, He lives, and though you may not be able to see Him with your eyes, you will be able to sense Him by His presence. Seek Him daily as you would your family and friends. Say to God that you know you are not perfect and have sinned. Jesus was the only one who kept all of the commandments and never sinned. If you have even told one lie, you have a seed of sin. Romans 3:23 says, "For all have sinned and all short of the glory of God." Knock for understanding and knowledge to be revealed. He will hear you and answer. One day, Jesus will knock on your heart's door. He will stand there until you open the door and invite Him in. he will never force His way in nor let Himself into your heart without your invitation. Then pray when you want to invite Jesus into your heart and ask for forgiveness of your sins. You will then be born again spiritually by the Holy Spirit living in your heart. You will turn from a self-directed life and turn to a life God has planned for you. You now know God as Father, God as Son, and God as the Holy Spirit living in you and through you. Your eternal life in Heaven is now secure by the death, burial, and resurrection of Jesus Christ.

Children today are bombarded more than any time in history with satanic influences. There is a war being waged for their imaginations and for their souls. A Manual for Children's Deliverance reveals deliverance truths, in simple terms, for setting children free from fears, torments, and destructive behavior. Frank and Ida Mae Hammond draw upon their rich experience in dealing with children and in helping them receive the freedom purchased for them through the cross of Jesus Christ. The authors include a special section covering the dangers inherent in, and the evil influences of, certain toys, games, music and television. Learn how to help your child! Deliverance methods and helpful examples are given, as well as a listing of demons common to the child's world.

This easy-to-use, transportable VBS is designed to help you host a VBS anywhere in the world. Simple visuals, 100+ recreation games, and five sessions of gospel-centered content help you explain the good news to kids outside of your church.

This is a 3 day Vacation Bible School Program created to meet the needs of a small church on a small budget. Even if your budget is small, it should not mean that the kids in your community cannot come to a VBS done with excellence, where they can learn about God and have fun. This 3 Day Adventure has just that. The manual has 3 days of skits, lessons, games and crafts and ideas on how to decorate your sanctuary on a "shoe string" budget. (All proceeds go towards helping our son who has Autism and to our daughter who is an incredible, support sibling of her brother)

As Catholics, the Mass is the center of our Faith. We celebrate it every day. We know all the responses. We know all the gestures. But do we know what it all means? In A Biblical Walk Through the Mass, Dr. Edward Sri takes us on a unique tour of the Liturgy. Based on the revised translation of the Mass, this book explores the biblical roots of the words and gestures we experience in the Liturgy and explains their profound significance. This intriguing look at the Mass is sure to renew your faith and deepen your devotion to the Eucharist. This book is used as the text for A Biblical Walk Through the Mass Study Program, but it may also be purchased separately at steep bulk discounts. For those not able to attend a study, this is a perfect resource for catechesis on the deep riches of the Mass.

Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, The Accountant Beside You, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. QuickBooks for Churches covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of experience as well as those just starting out. Let The Accountant Beside You take one more worry off your crowded to-do list.
