## Manual

Stopped by to take a look at  
a 2021 Tahoe in person. The  
salesperson provided me a  
test drive immediately. It  
was fully loaded with all  
the bells and whistles i was  
looking for. Had not planned  
on ...

This book is a comprehensive compendium of paediatric conditions, and covers clinical and diagnostic imaging for most diseases affecting neonates and children. Detailed descriptions of radiological signs aim to aid the diagnosis and identification of clinical symptoms. The book contains a large number of images taken from a collection of current and archival photos obtained from three generations of paediatric surgeons and radiologists which further illustrate the points made in the text. This book will act as a reference manual
