The 4th edition of this widely used guide to reading and interpreting the New Testament This revised edition of Gundry's survey of the New Testament goes beyond providing background information and technical introductory material and leads students to read the New Testament itself. Whenever possible general questions of introduction and background are tied to assigned readings covering the entire New Testament. In addition, comments on these readings help students with interpretation and follow the flow of thought from one passage to another. Features include: * New design with four-color format and more photos and improved maps * Chapters begin with list, of study goals and end with summary, overview and of people, places, terms to remember, and review questions * Outlines, section headings, subheadings, and bolded items make it easy to follow structure of discussion * Phonetic pronunciations for unfamiliar names and terms * Breakouts with illustrative quotes from ancient, nonbiblical literature * Discussion questions on the contemporary relevance of the New Testament * Updated bibliographies * Conservative evangelical theological perspective also notes other positions and literature

Leads the reader to study and personal reflection, considering the practical implications of Scripture. This one volume contains all of Irving Jensen's Bible self-study guides to the New Testament.

Provides historical background information about the politics, social conditions, and economy of the Holy Land, examines the meaning of the New Testament, and traces the history of the early Christian Church

The world of the Old Testament can seem hard to understand, especially for people living in times and places so far removed from the ancient Middle East. It's not just that we wear different clothes and hold different jobs—people in the West just don't have the same history, the same culture, or the same way of thinking as Old Testament characters like Abraham and David. And this disconnect can make studying the Old Testament an arduous and confusing process. A Popular Survey of the Old Testament is designed to help regular Christians enrich their understanding of Old Testament people and events. Illustrated throughout with color photos, charts, and maps, and written in an easy, informal style, this survey is accessible and enjoyable to Christians of all backgrounds.

Over 300,000 people have studied Books of the Bible. Now, the study has been updated, based on the New Revised Standard Version of the Bible. Using a workbook style, Books of the Bible allows you to discover the biblical text on your own or with a group. This 26-session book-by-book survey covers all the books in the Bible. Designed for persons who are not well-acquainted with the Bible, this resource is clearly written and easy-to-use, drawing the reader into the biblical text. Although you will "page through" the entire Bible by the end of the study, Books of the Bible only deals with major themes. An excellent primer for persons to gain confidence to tackle a more in-depth study, such as Genesis to Revelation, Journey Through the Bible, or Disciple Bible Study. Books of the Bible has informational articles about major sections of the Bible, and review pages at the end of major portions of the study. Questions for group discussion are included in all 26 sessions. In addition, there is an article for the leader and a pronunciation guide at the end of the study. 26 sessions / 60 minutes

Each book of the New Testament is introduced and investigated with scholarship and biblical faithfulness. Includes all the information usually found in a Bible handbook - author, date, historical background, purpose, outline - but it goes much further. The authors provide an exposition of every passage in the New Testament, written in contemporary, understandable language. Sidebars and inserts offer other valuable reference material such as lists of the parables of Jesus, the miracles of Jesus, and key theological principles.

Before coming to grips with an individual verse or passage in the New Testament, Bible students and expositors must understand how it relates to the theme of the book. This nontechnical survey offers readers a working understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes. It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a verse-by-verse commentary. Pictures, charts, and outlines aid comprehension. This classic text, which has served students well for many years, is now available in paperback.

Utilizes material from the award-winning Dictionary for Theological Interpretation of the Bible to introduce theological interpretation through a book-by-book survey of the New Testament.
