On this page, you can take four sample tests -- two on microeconomics, two on macroeconomics. We highly recommend that you study the material before you take the sample exams, so you can use your score on the samples to see whether you need to study more.. After you've taken a sample test, you can check your results by clicking "Check Your Work" at the bottom.

Economics Sample Exams | California State University ...

Here, I will present solve problems typical of those offered in a mathematical economics or advanced microeconomics course. The problems were originally compiled by Dr. Charles N. Steele and are reprinted with his generous permission. The solutions to the problems are my own work and not necessarily the only way to solve the problems.
