explore the meaning and usage of new language before it is presented and practised more formally. This allows them to discover the language intuitively for themselves and this sense of achievement helps to motivate them. With a strong emphasis on dialogue work and personalization, students are able to understand how the language can work for them. Targeted skills lessons develop this and build their competence further. The outstanding range of components means that every lesson can be varied and exciting. Whether you prefer using print or digital, or a combination of the two, all the resources are at your fingertips - giving you maximum support and flexibility. Maintaining motivation is always a challenge with teenagers, so the topics for each unit have been carefully chosen to help them become culturally aware.
