~~The decision to go to war is the most momentous any leader, any nation, can make. For the United States, the process of declaring war, enshrined in the constitution, has always been a source of domestic political dispute as well as geopolitical interest, as every conflict raised anew the fundamental question of whether and how the United States should deal with the wider world.~~

December 7, 1941: A Day That Will Live in Infamy America's isolation from war ended on December 7, 1941, when Japan staged a surprise attack on American military installations in the Pacific. The most devastating strike came at Pearl Harbor, the Hawaiian naval base where much of the US Pacific Fleet was moored.

~~Take A Closer Look: America Goes to War | The National ...~~

America Goes to War thus places another nail in the Minuteman's coffin. The Revolution followed the dominant pattern of subsequent American wars by filling the ranks disproportionately with men at the bottom or the fringes of American society (except Indians, whom the colonists preferred to kill rather than recruit).

War Comes to America is the seventh and final film of Frank Capra's Why We Fight World War II propaganda film series. The early part of the film is an idealized version of American history which includes mention of the first settlements, the American Revolutionary War (omitting the American Civil War), and the ethnic diversity of America.
