Russell Miles (Author of AspectJ Cookbook) The AspectJ Cookbook offers a hands-on solution—in fact, several—with a wide variety of code recipes for solving day-to-day design and coding problems using AOP's unique approach.AOP allows the global properties of a program to determine how it's compiled into an executable program. Before AOP, important program design decisions were difficult to capture in actual code.

Rowling, Amazoncom AspectJ Cookbook Aspect Oriented Solutions To russell miles is a software engineer for general dynamics uk where he works with java and distributed systems

20+ AspectJ Cookbook Author Russell Miles Jan 2005 [EPUB] Russell Miles has done a great job of structuring the book in a logical way. The book begins with recipes for compilation and deployment of Aspectj code using all the usual tools. The second section explains how to capture join-points on all the event types supported by AspectJ, ie. method-calls, exception catch blocks, object initialization etc.
