This little face painting book was written for those of you who want to continue to improve your newly found face panting skills or those who are ready to become a professional face painter. Professional face painter, Nancy Duso, shows you what products and tools you need to use, how to set up your face painting booth, and how to set fees and plan your booked events. In this second book written by this accomplished face painter, she includes more designs with step by step instructions on creating them. Following Nancy's instruction, you can quickly bring your strokes to professional quality. She also includes tips and advice to assist you in your goal to become a professional face painter.

Put a new face on fun! No matter what your experience level, you can turn everyday faces into sweet, funny or frightening works of art that move, laugh, grow and always make people smile! The first half of this book features fun, friendly transitions, such as birds and butterflies, puppies and princesses, knights and night skies. Part Two crosses over to the dark side with strikingly horrible, downright unnerving personas, including vampires, zombies, gargoyles and other foul, freakish creeps. [] Easy-to-follow instruction from two award-winning artists [] 50 step-by-step projects ranging from simple to more advanced [] Designs include popular kid and adult themes for parties, performances, Halloween and other occasions [] Expert techniques for painting remarkably realistic textures, making human features virtually disappear, creating the look of age and other surprising, fool-the-eye effects Full of friendly instruction for beginners and fresh inspiration for seasoned painters, this book will help you make art as original as the face that is painted!

In this ebook, you'll find helpful tips about face painting kits, face painting stencils, face painting kits professional, face painting brushes, face painting supplies and much more with this face painting book. GRAB A COPY TODAY!
