Prepare for the Cambridge Drama IGCSE 2022 syllabus with an approach that helps to create a varied, stimulating and enjoyable learning environment that enables students of different confidence and ability levels to flourish.

Collins IGCSE Spanish as a Foreign Language provides comprehensive coverage of the Cambridge IGCSE Spanish (0530) syllabus. With a clear structure and engaging content, the Student's Book has been carefully planned around topic-based units so that language learning and skills development can be taught in real-world contexts. All four skills (reading, writing, listening and speaking) are fully covered in a skills-based communicative approach. Content is relevant to the age group and so provides engaging and motivating learning opportunities in real-world contexts. All topics, grammar and vocabulary are mapped to the syllabus, with clear learning objectives highlighted for each section of each unit. Units follow a carefully planned, consistent structure allowing for reinforcement and progression at every stage. The course caters for all levels of ability, including the needs of students with less experience of Spanish or those who need more support. Each unit starts with a Listo page to allow for revision and consolidation of earlier language learning. An Introductory unit also serves as a language refresher as well as being specifically designed to engage and enthuse students at the start of the course. The Student's Book also offers opportunities for those looking for an extra level of challenge, with activities included to stretch higher-ability students. The layout of the book is clear and accessible, with boxed features highlighting key points of grammar, vocabulary or suggestions for taking things further. A checklist towards the end of the unit encourages students to reflect on their progress, and is followed by a useful vocabulary section for ease of reference. Each unit also includes an "El Mundo hispanohablante" spread which offers stimulating, thought-provoking and enjoyable insights into the culture and society of Hispanophone countries. Opportunity for practice, consolidation and revision is provided throughout the course, with exam-style questions in Listening and Reading included to help students develop their skills for success. Audio files are available as a free download from the Collins website for listening comprehension exercises and development of oral fluency. This resource supports both the IGCSE Spanish (0530) and and IGCSE (9-1) 7160 syllabuses. Collins is working with Cambridge Assessment International Education for endorsement of this title to support the full syllabus for first teaching from 2019 and first examination from 2021.

Help your students develop the skills and understanding to succeed in IGCSE(R) Literature in English. - Build the fundamental skills and understanding: The first part of the book introduces the essential skills, concepts and terminology. The second part of the book shows students how to apply these skills to poetry, prose and drama.
- Help all students make good progress. Chapters move from teaching the underlying skills and concepts to asking students to apply them in passage-based, discursive and unseen tasks. Regular Check your progress' features help your classes to measure their progress, while annotated responses show them how to improve.
- Support all learners with clear differentiation. Introductory chapters build learners' confidence, the main chapters offer greater depth, while extension lessons help all students reach their full potential.
- Practical for the classroom: the book is clearly organised into lessons and packed with activity. Each two- or four-page section in our Student Book is supported by a double-page lesson plan in the Teacher Guide.
- Engage students with rich, varied, text extracts from a variety of periods and cultures. Texts representing the different genres in the syllabus allow students to compare writers' choices and their effects.
- Flexible for teachers: the clear book structure and lesson headings allow teachers to dip in to find lessons to build into their own schemes of work.

Firmly focused on developing core skills and assessment capabilities, this revised edition comprehensively matches the latest syllabus and saves you time in course preparation. The second edition has been restructured to focus even more on skills development with a particular emphasis on progressing those tricky - and essential - synthesis and evaluation skills, as well as research and reflection. Clearly differentiated for students at different ability levels, with clear language and instruction for EAL learners. This new edition of Global Perspectives will be available as a print book, an online book, or a print and online package, so you can choose the format that is right for you.

This title is endorsed by Cambridge Assessment International Education to support the full syllabus for examination from 2021. Strengthen language skills and cultural awareness with a differentiated approach that offers comprehensive coverage of the revised Cambridge IGCSE Italian (0535/7164) syllabuses for first examination from 2021.
- Develop the cultural awareness at the heart of the syllabus with engaging stimulus material and questions from around the world which will encourage a positive attitude towards other cultures
- Progress the ability to use the language effectively with activiti.

The title follows a skills-building approach that links together the theory and practical parts of the syllabus to effectively build students' key skills and knowledge, while also providing support and guidance for teachers.

Comprehensively matched to the latest Cambridge IGCSE syllabus (0500), including changes to the Reading paper. This updated and literature-led resource is packed with age-appropriate text extracts, focused activities and embedded exam guidance.
