In Celebrate Recovery, recovery time is marked by taking chips...there is the first chip, a blue one, that is taken as a visible sign of the surrender of a particular area of recovery in a person's life. Then there are chips to mark 30 days, 60 days, 90 days, 6 months, 9 months and then subsequent years after that. There is nothing magical about the chips in themselves, they are just a tangible way to celebrate healing and 'sobriety' from our issues, but there is something pretty exciting ...
