make happiness impossible. Why? And what can we do about it? Budziszewski addresses these vital questions in his brilliantly persuasive new book, *The Line Through the Heart*. The answers can be discovered in an exploration of natural law—a venture that, with Budziszewski as our expert guide, takes us through politics,

Answer Key, religion, ethics, law, philosophy, and more. Natural law, the author states plainly but provocatively, is a fact about human beings; as surely as we have hands and feet, we have the foundational principles of good and evil woven into the fabric of our minds. From this elemental fact emerges a natural law theory that

unfolds as part of a careful study of the human person. Thus, Budziszewski shows, natural law forms a common ground for humanity. But this common ground is slippery. While natural law is truly an observable part of human nature, human beings are hell-bent—quite literally—on ignoring it. The mere mention of the

obligations imposed on man by his nature will send him into a rage. In this sense, *The Line Through the Heart* explores natural law as not simply a fact and a theory but also a sign of contradiction. While investigating the natural law and its implications, Budziszewski boldly confronts—and offers a newly integrated
