The People's Republic of China is a Communist state that came to power in 1949 after a civil war. It became a great power in the 1960s and today has the world's largest population, second largest GDP and the largest economy in the world by PPP. China is now considered an emerging global superpower. In 1950-1953 it fought an undeclared war in Korea against the United States. Until the late 1950s it was allied with the Soviet Union but by 1960 they began a bitter contest for control over the local
