You're on the go all the time — maybe for business, maybe because it's a byproduct of your busy lifestyle. But either way, your life would be easier if you had Internet access wherever you are. Well, when it comes to the Internet, you CAN take it with you! You just need the right stuff, and Mobile Internet For Dummies tells you what that is, how to find it, and how to use it. This easy-to-follow guide is packed with tips on choosing the best mobile device, software, and service provider for your needs, but that's not all. You'll see how to use your mobile Web browser, find made-for-mobile content (and create your own) and much more. Mobile Internet For Dummies explains how the Mobile Internet differs from the garden-variety Internet, and shows you how to: Find your mobile phone browser Use the Mobile Internet to surf, shop, blog, watch movies, and more — on the go Send and receive e-mail from your mobile device Locate other mobile applications Watch TV on your mobile phone Manage your kids' access to the Mobile Internet Secure and name a mobile Internet site and acquire mobile Web development tools Build your own made-for-mobile Web site Use your Mobile Internet site to promote your business and generate revenue With the help of Mobile Internet For Dummies, you'll be able to stay connected wherever you happen to be, and maybe even make it pay off with a bit of income.

Learn On-Demand TV, DVRs, Music, Games, Books, and More! With My Digital Entertainment for Seniors, you'll discover easy ways to access and experience entertainment using today's technology, without getting confused or bogged down with techno-babble—and without spending a fortune. This easy-to-follow guide covers all aspects of entertainment—movies, TV shows, radio, music, newspapers and magazines, books, and more—whether you're using a computer, mobile device, or other technology. Specifically, you'll: Get acquainted with all forms of digital entertainment that are available in everyday life, including on-demand TV shows, movies, music and radio programming, podcasts, eBooks and audiobooks, digital editions of newspapers and magazines, YouTube videos, and interactive games. Discover the difference between streaming and downloading content from the Internet to your computer or mobile device. Learn what equipment you'll need and how to use this equipment, no matter how tech-savvy you are—or aren't. Find out how to watch, listen to, and read what you want, when you want it, on your TV, desktop computer, notebook computer, smartphone, tablet, eBook reader, or gaming console. Learn what types of entertainment are available to use on eBook readers, digital video recorders, digital music players, high-definition television sets, cable/satellite TV service providers, what types of entertainment are readily available via the Internet, and how to use your computer, smartphone or tablet as an entertainment device. Find ways to stay safe and protect yourself from identity theft or online crime when surfing the Internet, shopping online, playing games, doing online banking, and handling other Internet-related tasks.

Are you a wannabe blogger? A seasoned pro migrating your blog to WordPress? Looking to do more cool stuff with your existing WordPress blog? Then this fun guide is for you! WordPress for Dummies is a veritable smorgasbord of WordPress information, ideas, tools, resources, and instruction on everything you need to create and maintain your dream blog. Unlike other blog hosts, WordPress gives you the ability to create a blog that is tailored to your own tastes and needs. Sure, the codes, tags, and terminology can seem a little intimidating at first, but WordPress for Dummies breaks it all down to show you just how intuitive, friendly, and extensible the software really is. This easy-to-follow guide shows you how to: Sign up for a free WordPress account Set up and use a hosted blog with WordPress.com Install and set up the WordPress.Org and WordPress.MU software for single- and multi-user versions Find great themes, plugins, and consultants that will help you achieve JUST the kind of blog you want Use tags to work with WordPress templates Combat challenges with comments, trackback spam, and “splogs” Add special technologies to your blog, such as RSS feed, podcasting, vlogging, and photoblogging Find online support, tips, and resources for WordPress software Whether you want to keep family and friends updated on your latest adventures, post pictures of your new puppy, or communicate your passion with millions of readers worldwide, WordPress for Dummies is your passport to creating the kind of blog that will keep your visitors coming back for more!
