Cronies demonstrates how George W. Bush is the living embodiment of Texas' crony networks, and how those networks continue to play critical roles in the 21st century. Distinguished by the same crack investigative skills and colorful storytelling that reviewers loved in Pipe Dreams , Cronies not only explains the astonishing rise of Texas; it ...

In Cronies, renowned investigative reporter Robert Bryce illuminates how Texas turned its vast energy resources into political power, and how a small group of Texas corporations, lawyers and politicians use that power to protect and defend their own economic interests. Through an absorbing narrative that moves from the days of the oil boom, through the rise and reign of LBJ, to today, Bryce profiles the Texans and the Texas corporations who have
