Entrepreneurial Cuba: The Changing Policy Landscape

During the presidency of Raúl Castro, Cuba has dramatically reformed its policies toward small private enterprises. Archibald Ritter and Ted Henken consider why—and to what effect. After reviewing the evolution of policy since 1959, the authors contrast the approaches of Fidel and Raúl Castro and explore in depth the responses of Cuban entrepreneurs to the new environment.

Entrepreneurial Cuba: The Changing Policy Landscape

In Entrepreneurial Cuba, two veteran Cuba watchers, the social scientists Ritter and Henken, interview many of these new business owners, detail the regulations governing their activities, and calculate the effective tax rates they pay. Particularly valuable are the chapters on the remaining underground economy—businesses not yet able or willing to come out of the shadows—and the ...

Entrepreneurial Cuba: The Changing Policy Landscape ...

While assessing post-1990 changes, Entrepreneurial Cuba also generated a systematic examination of the evolution of the self-employment sector in the early decades of the revolution in light of shifting ideological, political, and economic motivations. Likewise, the contextual setting is enhanced by placing Cuban self-employment within the broader global informal economy framework, particularly in Latin America, and by assessing the overall features of the second economy in socialist ...
