The worldwide phenomenon from the bestselling author of *The Pillars of the Earth*, *World Without End*, *A Column of Fire*, and *The Evening and the Morning* His code name was "The Needle." He was a German aristocrat of extraordinary intelligence—a master spy with a legacy of violence in his blood, and the object of the most desperate manhunt in history. . . . But his fate lay in the hands of a young and vulnerable English woman, whose loyalty, if swayed, would assure his freedom—and win the war for the Nazis. . . .

One enemy spy knows the secret to the Allies' greatest deception, a brilliant aristocrat and ruthless assassin -- code name: "The Needle" -- who holds the key to ultimate Nazi victory. Only one person stands in his way: a lonely Englishwoman on an isolated island, who is beginning to love the killer who has mysteriously entered her life. All will come to a terrifying conclusion in Ken Follett's unsurpassed and unforgettable masterwork of suspense, intrigue, and the dangerous machinations of the human heart. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

Eye of the Needle, Ken Follett's breakthrough international bestseller, is a heart-racingly exciting tale about the fate of the war resting in the hands of a master spy, his opponent and a brave woman. *Victory Hangs in the Balance* 1944. In the weeks leading up to D-Day the Allies are disguising their invasion plans with elaborate decoys of ships and planes. If they can land a force on mainland Europe they will gain the upper hand in a war that has ravaged the world for years, and take the fight to the Nazi menace. *A Cold-blooded Killer* His weapon is the stiletto, his codename: The Needle. He is Hitler's prize undercover agent – a ruthless and professional murderer. In England he uncovers the Allies' D-Day plans but his cover is blown in the process. *A Deadly Chase* Leaving a trail of bodies in his wake, The Needle ruthlessly races to a U-boat waiting to convey him and his critical message to Germany, with MI5 on his tail. But he hasn't planned for a storm-battered island and the remarkable young woman who lives there . . .

New York Times Bestseller The new must-read epic from master storyteller Ken Follett: more than a thriller, it's an action-packed, globe-spanning drama set in the present day. "A compelling story, and only too realistic." —Lawrence H. Summers, former U.S. Treasury Secretary "Every catastrophe begins with a little problem that doesn't get fixed." So says Pauline Green, president of the United States, in Follett's

Where To Download Eye Of The Needle Ken Follett

nerve-racking drama of international tension. A shrinking oasis in the Sahara Desert; a stolen US Army drone; an uninhabited Japanese island; and one country's secret stash of deadly chemical poisons: all these play roles in a relentlessly escalating crisis. Struggling to prevent the outbreak of world war are a young woman intelligence officer; a spy working undercover with jihadists; a brilliant Chinese spymaster; and Pauline herself, beleaguered by a populist rival for the next president election. Never is an extraordinary novel, full of heroines and villains, false prophets and elite warriors, jaded politicians and opportunistic revolutionaries. It brims with cautionary wisdom for our times, and delivers a visceral, heart-pounding read that transports readers to the brink of the unimaginable.

In his own bestselling tradition of *Eye of the Needle* and *The Key to Rebecca*, Ken Follett delivers a breathtaking novel of suspense set in the most dangerous days of World War II. D-Day is approaching. They don't know where or when, but the Germans know it'll be soon, and for Felicity "Flick" Clariet, the stakes have never been higher. A senior agent in the ranks of the Special Operations Executive (SOE) responsible for sabotage, Flick has survived to become one of Britain's most effective operatives in Northern France. She knows that the Germans' ability to thwart the Allied attack depends upon their lines of communications, and in the days before the invasion no target is of greater strategic importance than the largest telephone exchange in Europe. But when Flick and her Resistance-leader husband try a direct, head-on assault that goes horribly wrong, her world turns upside down. Her group destroyed, her husband missing, her superiors unsure of her, her own confidence badly shaken, she has one last chance at the target, but the challenge, once daunting, is now near impossible. The new plan requires an all-woman team, none of them professionals, to be assembled and trained within days. Code-named the Jackdaws, they will attempt to infiltrate the exchange under the noses of the Germans—but the Germans are waiting for them now and have plans of their own. There are secrets Flick does not know—secrets within the German ranks, secrets among her hastily recruited team, secrets among those she trusts the most. And as the hours tick down to the point of no return, most daunting of all, there are secrets within herself. . . . Filled with the powerful storytelling, unforgettable characters, and authentic detail that have become his hallmarks, *Jackdaws* is Ken Follett writing at the height of his powers.

"Vintage Follett . . . This is his most ambitious novel and it succeeds admirably." —USA Today Ellis, the American. Jean-Pierre, the Frenchman. They were two men on opposite sides of the Cold War, with a woman torn between them. Together, they formed a triangle of passion and deception, racing from terrorist bombs in Paris to the violence and intrigue of Afghanistan—to the moment of truth and deadly decision for all of them. . . .

"Everyone likes a page-turner, and Follett is the best." —The Philadelphia Inquirer "A hell of a storyteller" (Entertainment Weekly), #1 New York Times bestselling author Ken Follett reinvents the thriller with each new novel. But nothing matches the intricate knife-edge drama of *Whiteout*. . . . A missing canister of a deadly virus. A lab technician bleeding from the eyes. Toni Gallo, the security director of a Scottish medical research firm, knows she has problems, but she has no idea of the nightmare to come. As a Christmas Eve blizzard whips out of the north, several people, Toni among them, converge on a remote family house. All have something to gain or lose from the drug developed to fight the virus. As the storm worsens, the emotional sparks—jealousies, distrust, sexual attraction, rivalries—crackle; desperate secrets are revealed; hidden traitors and unexpected heroes emerge. Filled with startling twists at every turn, *Whiteout* rockets Follett into a class by

himself.

“The wonderful cathedral of Notre-Dame de Paris, one of the greatest achievements of European civilization, was on fire. The sight dazed and disturbed us profoundly. I was on the edge of tears. Something priceless was dying in front of our eyes. The feeling was bewildering, as if the earth was shaking.” —Ken Follett “[A] treasure of a book.” —The New Yorker In this short, spellbinding book, international bestselling author Ken Follett describes the emotions that gripped him when he learned about the fire that threatened to destroy one of the greatest cathedrals in the world—the Notre-Dame de Paris. Follett then tells the story of the cathedral, from its construction to the role it has played across time and history, and he reveals the influence that the Notre-Dame had upon cathedrals around the world and on the writing of one of Follett's most famous and beloved novels, *The Pillars of the Earth*. Ken Follett will donate his proceeds from this book to the charity La Fondation du Patrimoine.
