Feels Like Redemption The Pilgrimage To Health And Healing ...

Feels Like Redemption is a book by Seth Taylor along with help from his brother David. He was inspired to write this book after him and his brother found a new way of finding freedom from the addiction they shared. In their case, the addiction was pornography. While they mention this in the book, Feels Like Redemption isn't specifically focused on it.

In the Christian Church and the world at large today, addiction to pornography is not just a crisis, it is the crisis. The approach for many has been to label this a war, and scores of books and teachers have tried to show that using various control methods and tools in order to deal with the problem leads to freedom. But the crisis continues to grow, and true freedom, the kind that Jesus seems to be pointing to in the Gospels, seems forever out of reach. This powerless approach has left millions with out true freedom and asking some very hard questions about themselves, their sexuality, and the nature of God.In this groundbreaking new book on an age-old topic, author Seth Taylor leads us into the question: "Is there any real power? And if there is, why don't we see it more?" With this question as the starting point, Taylor shows readers how to peel back the layers of all the things people are medicating with pornography and other "drugs". He gives readers the tools to make their Spirits come alive. Through a compelling combination of stories and spiritually grounded teaching from his own pilgrimage, Taylor shows readers that freedom is not a myth, but rather the essence of every human being, created in the image of God. Feels Like Redemption powerfully teaches that this journey into sexual and spiritual health is not a battle. It's a Pilgrimage - a Sacred Journey. And in walking this journey, we can be changed forever.

In the Christian Church and the world at large today, addiction to pornography is not just a crisis, it is the crisis. The approach for many has been to label this a war, and scores of books and teachers have tried to show that using various control methods and tools in order to deal with the problem leads to freedom. But the crisis continues to grow, and true freedom, the kind that Jesus seems to be pointing to in the Gospels, seems forever out of reach. This powerless approach has left millions asking some very hard questions about themselves, their sexuality, and the nature of God. In this companion to the groundbreaking Feels Like Redemption: The Pilgrimage to Health and Healing, author Seth Taylor has created a Guide for every person on this movement out of addiction, depression, and anxiety. Equal parts teaching, therapeutic work, meditative journal, and art, this unique book will lead readers into an entirely new way of living. Rather than giving readers a few unrealistic practices that leave them discouraged, this grace-filled adventure into the depths of the human soul will leave readers in awe of the Spirit that dwells all around and within every person. Walking this journey will show readers that this life was never a war to be fought, but rather a Sacred Journey to be walked. And in this experience, we will be changed forever.

One Day at a Time provides an explicit view into my journey from obsession with lust, addiction to pornography use, and adultery to real emotional and spiritual healing. Lust, and the compulsive attitudes and actions it breeds, is one of the most profound and taboo issues facing humanity today. Most within the Church are too afraid to share their stories of struggle and redemption. Unfortunately, fear is born from shame, which keeps those struggling isolated, allowing for our obsessions and addictions to fester and destroy lives and families. Through anecdotal advice, scientific research, and honest, transparent, and humble autobiography, this book aims to bring awareness to the havoc lust, pornography use, and adultery are wreaking on society today.

This book considers how the movement of existentialism—and the religious existentialists in particular—have contributed to a rethinking of the role of subjective experience for the philosophical enterprise in contrast to the rationalist and idealist traditions. It contributes to a rethinking of the canon of existentialism.

What if I told you that the way we perceive and take for granted time, space and true interpersonal connections can be misleading, even when their true nature lay before us? THE QUANTUM PILGRIMAGE is an existentialist, abstract and tortuous fable about the inner journey we all endeavour during our biological existence. Since that quest is as unique and unpredictable as each one of us, any interpretations drawn are filtered by your own experiences and expectations. Because, just as it happens in the Quantum Realm, everything that truly matters is distorted and crafted by our own unique consciousness. This dark and introspective odyssey serves as a brief introduction to a much wider and profound topic backing this and upcoming books: Quantum Psychology. Because perhaps the real question is not how our consciousness fits with this Universe and reality, but the other way around: how everything that we experience is deployed and influenced by a basic and intrinsic part of our awareness that remains mostly unexplored. That central piece of our minds (or the Quantum Self) connects us with ourselves, our biological existence, society, the rest of energy forms and forces in the Universe, and even to the Quantum Realm, where the rules of time, space and connection are completely different to our instinctive perception. But, far more important, it connect us with others at a transcendental level. Because if Quantum Psychology lies as the centre piece connecting all aspects of existence and reality, at the heart of that centre you will find the raw and meaningful emotional and interpersonal connections we establish throughout life; those that are as subjective as ourselves, but also universally identifiable. Because your life can be changed in a heartbeat of pure conviction if you know where to hear, as every great achievement in history starts with a seemingly crazy idea. ABOUT THE AUTHOR: Isaac R. Betanzos is a novel writer with an academical background in research & Psychology. Combining Positive Psychology and Quantum Physics, through Quantum Psychology we will be able to re-think time, space and interpersonal connections. For more information, contact and insights about the upcoming books visit IsaacRBetanzos.com

In this compilation, you'll find writings from Oswald Chambers' works The Highest Good, Thy Great Redemption, and The Pilgrim's Song Book. Chambers goes far below the surface to explore deeper truths of the faith. He addresses topics such as the doctrine of redemption, Christian ethics and obedience, and pilgrimage toward God's holiness. As you read these insightful works, you'll come to a greater understanding of the importance of Christ's redemption—and the practical steps we can take toward obedience.

Provides synopses, commentary, and background information for a variety of motion pictures, including "American Beauty," "The Shawshank Redemption," and "Superman: the Motion Picture," which depict characters who are searching for the meaning of life.

Are you a Christian man looking to be free from your regular use of pornography? Shame and self-hatred are terrible motivators for transformation. There must be a better way to outgrow our unhealthy dependence on pornography. Religious communities often fall short engaging pornography in a meaningful way, quality resources are scarce. We must strip away the sexuality of our porn use, face the complexity of our own sexual development and stories head-on. We must get beneath to what is driving our hunger to use women as objects of our pleasure, and learn how to honor not objectify. This book is an in-depth collection of essays engaging our behaviors both conscious and unconscious involving pornography. May this be a rich resource in helping you or those you love know liberation.May you find this resource helpful in your continued fight for sexual health.Testimonials from Readers: "I love your book so much, I am really beginning to see a change in myself and how I am beginning to view women differently." - John R. "Truly words of life were being spoken to me through you and your book. Incredible clarity and healing were fostered as I have been going through my own journey, every single chapter hit home." -Steve W.
