Aura's Finnish Lesson 6: Word Order **Finnish Lessons 20 What**

Can

The author's message can be summarised as follows: the "Finnish way" has rejected standardisation, accountability, and general market-based principles. It instead emphasises equality, collaboration, strong professional autonomy, and the principle that "less is more" – hence, school days are short, teachers teach comparatively fewer hours, and pupils study less than in other countries.

Featuring substantial additions throughout the text, Finnish Lessons 2.0 demonstrates how systematically focusing on teacher and leader professionalism, building trust between the society and its schools, and investing in educational equity rather than competition, choice, and other market-based reforms make Finnish schools an international model of success. This second edition details the ...
