Returning to Gentle Giant's fourth album after any kind of lengthy absence, it's astonishing just how little Octopus has dated. Often written off at the time as a pale reflection of the truly gargantuan steps being taken by the likes of Jethro Tull and Barclay James Harvest, the band's closest relatives in the tangled skein of period prog, Gentle Giant often seemed more notable for its album ...

*Gentle Giant Octopus: Read and Wonder: Wallace, Karen ...*

Octopus is the fourth album by British progressive rock band Gentle Giant, released in 1972. It was the band's last album with founding member Phil Shulman and the first with new drummer John Weathers, who would remain with the band until their dissolution in 1980. Octopus remains a highly regarded example of the progressive rock genre and is generally considered to represent the start of the band's peak period.

*Octopus (Gentle Giant album) - Wikipedia*

The new line-up of Gentle Giant delivered the Octopus album later in 1972. The band's hardest-rocking album to date, Octopus was allegedly named by Phil Shulman's wife Roberta as a pun on " octo opus " (eight musical works, reflecting the album's eight tracks).

I've received today my Octopus by Gentle Giant, Steven Wilson's brilliantly remastered edition with BluRay! It's fantastic, beyond words, musically and visually except of one crucial thing! I have a HD projector set up, so my screen is quite big and still I have major difficulties READING THE FONT ON THE SCREEN!

## *GENTLE GIANT Octopus reviews*

Gentle Giant- Octopus If you like clever 'Art School' progressive rock music and lyrics (for instance, Genesis) then this a very good album to introduce you to the 70's group from Portsmouth. There is a good mixture of musical styles (a definite folk influence in more than one track, and a medieval, madrigal style in others) contrasting vocal themes and thought-provoking lyrics
