Picking up young, beautiful women is changing. Phones, texting, and social media are much bigger parts of women's dating lives than they were five years ago. Attention spans are shorter. If you're not relevant to her - day to day, not just on "date night" - someone else will be. That's why we're giving you the top secret techniques that the world's top pickup artists have been using and refining for the past two years. Now you can use them too. Here's what you'll be able to do after just the first few pages: Get her number almost EVERY TIME using the "magic words" that make flaking nearly impossible. (pg. 14-15) Avoid the one fatal error that 60% of guys make after getting her phone number that kills their chances right then and there. (pg. 12-13) Know whether to use phone or text (pg. 29-31) and how long to wait to get in touch (pg. 31-5) for every situation. Use "callback humor" to make sure your first phone call has her dying to see you again... but only if you set it up properly when you first met her. (pg. 21-24) Text her while you're still talking to her so that your conversation continues ' naturally ' even after you leave - and leads to a same night encounter or a date. Choose from among dozens of scripted messages to send. (pg. 15-18)

"One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, The Game. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." The Mystery Method: How to Get Beautiful Women Into Bed shares tips such as: "Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. "Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. "Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. "Smile. Guys who don't get laid, don't smile.
