Insurance is a serious topic and the truth of the matter is that most people don't have a clue as to what they're getting or what they should be asking for when talking to an insurance

An expose of insurance
injustice and a plan for
consumers and lawmakers to
fight it Over the last two

Online Library Insurance Claim Secrets Revealed

decades, insurance has become less of a safety net and more of a spider's web: sticky and complicated, designed to ensnare as much as to aid. Insurance companies now often try to delay payment of justified

Online Library Insurance Claim Secrets Revealed

claims, deny payment altogether, and defend these actions by forcing claimants to enter litigation. Jay M. Feinman, a legal scholar and insurance expert, explains how these trends developed, how the government ought to

Online Library Insurance Claim Secrets Revealed

fix the system, and what the rest of us can do to protect ourselves. He shows that the denial of valid claims is not occasional or accidental or the fault of a few bad employees. It's the result of an increasing and

Online Library Insurance Claim Secrets Revealed

systematic focus on maximizing profits by major companies such as Allstate and State Farm. Citing dozens of stories of victims who were unfairly denied payment, Feinman explains how people can be more

Online Library Insurance Claim Secrets Revealed

cautious when shopping for policies and what to do when pursuing a disputed claim. He also lays out a plan for the legal reforms needed to prevent future abuses. This exposé will help drive the discussion of this

Online Library Insurance Claim Secrets Revealed

increasingly hot- button
issue.

LEARN HOW THE MODERN
INSURANCE INDUSTRY FUNCTIONS
AND DYSFUNCTIONS With Pay
Up!, attorney Chip Merlin
exposes the bad faith

Online Library Insurance Claim Secrets Revealed

practices of insurance companies that take advantage of their own customers. The claims process has become so automated that legitimate claims are denied without ever being seen by human

Online Library Insurance Claim Secrets Revealed

eyes. Exceptions and exclusions are buried within small print that can bury your claim. Many claims departments operate under a culture of paranoia in which legitimate claims are denied, sometimes

Online Library Insurance Claim Secrets Revealed

accidentally, sometimes not. Cost-cutting measures birth "self-serve" policies that force the policyholder to do the insurer's job. Insurance lobbyists are so enmeshed in the political process that it can be hard to know whose

Online Library Insurance Claim Secrets Revealed

side industry regulators are on. Commercial and individual policyholders pay premiums with the understanding that insurers will pay claims fairly, fully, and promptly. It's time for the insurance

Online Library Insurance Claim Secrets Revealed industry to Pay Up!

When someone suffers a serious loss at their home or business, one of the first things they often think is this: "At least I have insurance." But the

Online Library Insurance Claim Secrets Revealed

claims process is deviously designed to pay only pennies on the dollar for losses. Furthermore, if you take an insurance company to court, you'll find that the legal system is stacked against you. David Skipton brings

Online Library Insurance Claim Secrets Revealed

his many years of claims adjusting experience to help you avoid the pitfalls in the claims process. Learn how to: recognize the tricks insurance companies play to cheat you out of money; take steps to improve your

Online Library Insurance Claim Secrets Revealed

chances of enjoying a favorable outcome on a claim; and receive fair compensation in the event of an insurance payout. It doesn't matter if you own a business or a home—if you have an active claim or

Online Library Insurance Claim Secrets Revealed

not—it's important to demystify the claims process. It begins by learning how to protect your best interests and learning how to play The Claims Game.

Online Library Insurance Claim Secrets Revealed

It's the story the insurance industry doesn't want you to know. Now, for the first time, the story in the legal book *From Good Hands to Boxing Gloves* is available to the public. Find out for

Online Library Insurance Claim Secrets Revealed

yourself why insurance companies are improperly denying claims, delaying them, and defending them at trial. The book takes you from the ideas which masterminded Enron, through their impact on the

Online Library Insurance Claim Secrets Revealed

insurance industry, and the resulting claim denials in everything from minor auto accidents to Hurricane Katrina claims. Author David Berardinelli is the trial lawyer who diligently worked to become the first to

Online Library Insurance Claim Secrets Revealed

obtain the "McKinsey Documents" unprotected. He discusses how these documents teach insurers to profit by denying policyholders "good hands" to treat them with "boxing gloves." Learn how Allstate

Online Library Insurance Claim Secrets Revealed

has earned the highest profits in insurance company history during the years with our country's largest natural disasters.
