Universal Human Rights in Theory and Practice: Donnelly ...  
Jack Donnelly ' s Universal Human Rights in Theory and Practice (3 rd Ed., 2013) is a fundamental text for those studying any area of human rights. Starting out by establishing a basic understanding of what " human rights " means, Donnelly leads up to his main premise that human rights are equal, inalienable, and universal, even with considerations of cross-cultural relativism.

Universal Human Rights in Theory and Practice on JSTOR  
Human rights are equal rights; all people have the same human rights as everyone else. They are inalienable; one cannot stop being human no matter how badly one behaves or how monstrously one is treated. And they are universal in that we consider all members of the species Homo Sapiens as human beings and thus, automatically, holders of human rights. Human rights can be violated, ignored or abrogated and often are with impunity for the violators.
