Line in the sand is an idiom with two similar meanings: The first meaning is of a point beyond which one will proceed no further. An example would be a person who might agree to visit a bar with his friends, but will go no further. The second meaning is that of a point beyond which, once the decision to go beyond it is made, the decision and its resulting consequences are permanently decided and irreversible. An example would be to commit funds to completing a project; once committed, the funds

A Line in the Sand is a new short from Sony Alpha Films that follows photographer Chris Burkard and his team (Emily Batty, Eric Batty, and Adam Morka) on a bikepacking trip across the interior of Iceland. Their 975-kilometer route, which we ' ll be sharing here on the site, tied together as many of the most remote stretches of road they could find to complete their traverse from Dalatangi in the east to Bjargtangar in the west.

Lines in the Sand, a treat for his many fans, gathers the best of Gill's journalism from 2011 to 2016. Ranging from travel reportage to serio-comic appreciations of Savile Row tweed and the delights of condensed milk, the pieces are lit up by the author's trademark literary flourishes and waspish put-downs (Ian Thomson EVENING STANDARD )

On Friday 20 September 2019 students and staff stood side-by-side with school children, activists and local residents to join international climate strikes. Together everyone formed a line which stretched out of sight, along the West Sands beach, falling silent for five minutes as they reflected on climate change.
