how it has been taught, and how learning outcomes were assessed. The curriculum mapping process results in a document known as a curriculum map. Most curriculum maps are graphical illustrations that consist of a table or matrix.

Curriculum Mapping: Definition, Purpose, and Tips

Mapping out a curriculum for any subject can be a daunting prospect. In this blog I will share my process for this, rooted (of course), in my own experience with Science. Whilst there will be a definite Science feel to this blog, a lot of the thinking behind this blog can be applied to many other subject areas.
