**My Pals are Here! Maths Workbook 5A (2nd Edition ...**

Because of multiple requests, we have now picked up Singapore Math's science curriculum, My Pals Are Here Science. Each grade level consists of two parts, an A and a B set. Rather than chopping up the different branches of science into different grade levels and books, a thematic approach is taken, where concepts from different areas of science, including life science, physical science, chemistry and physical science are all linked together under the theme.
