Farmscape is a community play which documents the contemporary Midwest farmscape. Mary Swander's Iowa State University English class students interviewed farmers around their state and compiled their stories in the farmers' own words. Savor the taste of organic vegetables on a truck on its way to the local farmer's market, suit up in protective clothing and a mask before you enter a hog confinement operation. Experience the David and Goliath story of an organic farmer up against the economic forces of the 3500 acre agri-business operation next door. In the end, you'll understand that during the pioneer days, farming completely changed the ecosystem of the prairie. A hundred and fifty years later, this landscape is dramatically changing again. This book contains the full readers' theater script as well as commentary on both Farmscape and the changing rural environment it documents.

In this much anticipated sequel to *The True Meaning of Smekday*, Tip and J.Lo are back for another hilarious intergalactic adventure. And this time (and last time, and maybe next time), they want to make things right with the Boov. After Tip and J.Lo banished the Gorg from Earth in a scheme involving the cloning of many, many cats, the pair is notorious—but not for their heroics. Instead, human Dan Landry has taken credit for conquering the Gorg, and the Boov blame J.Lo for ruining their colonization of the planet. Determined to clear his name, J.Lo and Tip pack into Slushious, a Chevy that J.Lo has engineered into a fairly operational spaceship, and head to New Boovworld, the aliens' new home on one of Saturn's moons. But their welcome isn't quite as warm as Tip and J.Lo would have liked. J.Lo is dubbed Public Enemy Number One, and Captain Smek knows that capturing the alien is the only way he'll stand a chance in the Boovs' first-ever presidential election. With the help of a friendly flying billboard named Bill, a journey through various garbage chutes, a bit of time travel, and a slew of hilarious Boovish accents, Tip and J.Lo must fight to set the record straight—and return home in one piece.
