"The boy she grew up with has turned into a man she can hardly recognize. Cold, ruthless, and completely insane." Growing up, Rose always followed the rules and chose to concentrate on her grades instead of boys. Primarily because the only boy she wanted was her stepbrother, David. The one boy she could never have. It's been three years since she's seen him and a lot has changed since their last meeting. Rose has moved to New York City for college and attracted a boyfriend she can't seem to escape from. While she misses David far more than she's willing to admit, she has ultimately let him go. Then Rose is kidnapped and brought face-to-face with the man she thought she'd never see again. She quickly finds out that she isn't the only one who's changed as she gets sucked into David's world of criminal activities, not to mention his less-than-stable mental state. As Rose tries to get used to the new David, the reality of what kind of man he's become finally starts to sink in. It's up to Rose to figure out how to get herself out of this mess... But does she really want to?

Torment Part One is a dark, taboo, MC, contemporary romance. How did I get here? Broken, bruised, and mentally shattered. For most of my life, my older stepbrother, Shay, was my hero, my rock, and my best friend. The one I knew I could always rely on. For many years, I accepted everyone and everything around me. But as I grew up, the veil was lifted, and I slowly came to understand how f\*cked up it all really is. These men, who I considered uncles and close family friends, are members of the dominant MC, The Celtic Beasts. Shay is not only a proud member. He is the one they send in to do their dirty work. For some reason, this tough, muscled, terrifying guy, needs me to ground and comfort him. But I have always had bigger plans. Bigger dreams. I don't want to be trapped here, in this life that is dark, bloody and violent. I want to get out, escape... but Shay has other plans for me. What do you do when your protector becomes the very root of your torment? \*\*Warning: This book is meant for mature readers, 18+. Torment Part One is a dark romance and contains scenes and situations that may be upsetting for some readers. Includes several triggers and sensitive material such as: domestic abuse, profanity, gang violence, PTSD, depression, anxiety disorders, and sexual assault. My future stepbrother. My personal bodyguard. Colin Blake is a mob a\*\*hole. He's rude, crude, and loves a good fight. He's arrogant, self-assured, and won't hesitate to take what he wants. And we're stuck in the same house. All because my psycho ex-boyfriend is chasing me down and won't stop until he steals me back. Worst of all, my stepbrother bodyguard treats me like a prisoner, and I'm supposed to act like I'm not staring when he walks around in just a towel. The truth is, I hate him for jerking me around when we were younger, but I still want to taste his lips whenever we talk. I can't stand it. I hate that I need his help. I hate that I want his body. Even with the mob ready to go to war, all I can think about is his cocky grin driving me insane.
