Hunting A Beginners Guide*
Python Hunting throws
beginners straight into the
cool, creative side of
things. To get the basics
you'll build a Falling Rain
program and a character who
puts up his umbrella to keep
dry. This runs smoothly into
a Space Invaders game with
randomly moving invaders and
arcade style scoring. After

The South Florida Water Management District Governing Board is taking aggressive action to protect the Everglades and eliminate invasive pythons from its public lands. Starting in March 2017, the Python Elimination Program incentivizes a limited number of public-spirited individuals to humanely euthanize these destructive snakes, which have become an apex predator in the Everglades.
