1. Chapter Tutorials. Providing numerous screen shots and detailed instructions, chapters in Computer Accounting with QuickBooks are designed as tutorials for the student to initially learn the accounting software features. All chapters are based on realistic, virtual company cases to enhance your understanding of the business environment in which QuickBooks is used. YouTube videos @ www.myquickbooks.me reinforce chapter tutorials.

2. Learning Activities. To improve long-term retention of student software skills and mastery of QuickBooks, learning activities are included at the end of the chapters. Designed with fewer instructions to test the understanding and, when needed, to develop skills at quickly seeking out additional information to complete tasks, the activities consist of exercises, projects and web quests. JIT Learning, the ability to seek out information as needed, is an
