Co-written by New York Times bestselling and Newbery Honor winning author Shannon Hale, this sequel to the highly acclaimed Rapunzel's Revenge is a hilarious tall tale about Jack, his beanstalk . . . and his best-friend-with-wicked-braids, Rapunzel. Jack likes to think of himself as a criminal mastermind . . . with an unfortunate amount of bad luck. A schemer, plotter, planner, trickster, swindler . . . maybe even thief? One fine day Jack picks a target a little more giant than the usual, and one little bean turns into a great big building-destroying beanstalk. With help from Rapunzel (and her trusty braids), a pixie from Jack's past, and a man with inventions from the future, they just might out-swindle the evil giants and put his beloved city back in the hands of good people . . . while catapulting themselves and readers into another fantastical adventure. This magical story explores what could happen when one woman's not-so-secret celebrity crush walks right into real life and changes everything.

Introducing a whole new bunch of stropy women - including sturdy MS Muffet and the Tired Trainer of Hamlyn - this fun collection is for every woman who likes to laugh.

This long-awaited follow-up to Newbery Honor winner Princess Academy hit the New York Times bestseller list in the first week of US publication. A rich and compelling fantasy about one girl's journey to discover where her home and heart truly belong in a divided world is reminiscent of the best writing by authors like Eva Ibbotson and Cornelia Funke. With a chance to study at the university and live at the Queen's Castle, Miri leaves village life and is thrust into the bustling chaos of the city. Her best friend, Britta, has been chosen by the Prince of Asland to be his bride, and the royal wedding is fast approaching. But helping Britta prepare for her future is not an easy task. When Miri discovers a secret plot against the royal court - which is motivated by good - she feels torn. Will she choose loyalty to the princess, or reform for the people? As Miri struggles to resolve this dilemma in her own mind, her heart is suffering: an old love comforts her; a new crush consumes her; she yearns for her homeland. Can Miri find her way in this new place, or will she be considered a traitor? The fate of the kingdom is at stake.

From Shannon Hale, bestselling author of Austenland, comes Kind of a Big Deal: a hilarious, madcap story that will suck you in—literally. There's nothing worse than peaking in high school. Nobody knows that better than Josie Pie. She was kind of a big deal—she dropped out of high school to be a star! But the bigger you are, the harder you fall. And Josie fell. Hard. Ouch. Broadway dream: dead. Meanwhile, her life keeps imploding. Best friend: distant. Boyfriend: busy. Mom: not playing with a full deck? Desperate to escape, Josie gets into reading. Literally. She reads a book and suddenly she's inside it. And with each book, she's a different character: a post-apocalyptic heroine, the lead in a YA rom-com, a 17th century wench in a corset. It's alarming. But also . . . kind of amazing? It's the perfect way to live out her fantasies. Book after book, Josie the failed star finds a new way to shine. But the longer she stays in a story, the harder it becomes to escape. Will Josie find a story so good that she just stays forever?

"Think you know Rapunzel's story? Think again, because the tower was only the beginning..." -- Jennifer Nielsen, New York Times bestselling author of THE FALSE PRINCE In all of Tyme, from the Redlands to the Grey, no one is as lucky as Rapunzel. She lives in a magic tower that obeys her every wish; she reads wonderful books starring herself as the heroine; her hair is the longest, most glorious thing in the world. And she knows this because Witch tells her so--her beloved Witch, who protects her from evil princes, the dangerous ground under the tower, even unhappy thoughts. Rapunzel can't imagine any other life. Then a thief named Jack climbs into her room to steal one of her enchanted roses. He's the first person Rapunzel's ever met who isn't completely charmed by her (well, the first person she's met at all, really), and he is infuriating-- especially when he hints that Witch isn't telling her the whole truth. Driven by anger at Jack and her own nameless fears, Rapunzel descends to the ground for the first time, and finds a world filled with more peril than Witch promised ... and more beauty, wonder, and adventure than she could have dreamed.

New York Times bestselling author Shannon Hale offers up mystery, romance, and a lot of fun in this modern homage to Jane Austen.

The aliens have arrived. And they're hungry for electricity. In the Earth of the future, humans are on the run from an alien force—giant blobs who suck up electrical devices wherever they can find them. Strata and her family are part of a caravan of digital rescuers, hoping to keep the memory of civilization alive by saving electronics wherever they can. Many humans have reverted to a pre-electrical age, and others have taken advantage of the invasion to become dangerous bandits and outlaws. When Strata and her brother are separated from the caravan, they must rely on a particularly beautiful and rare robot pony to escape the outlaws and aliens—and defeat the invaders once and for all.
