Refugees And Gender Law And

Abstract. Refugees and Gender: Law and Process examines how those representing asylum seekers can ensure that all gender-related aspects of an asylum claim are considered and appropriately reflected in the determination process. The book aims to provide a comprehensive understanding of the concepts of gender-related persecution, as well as a gendered framework for the interpretation of key elements of the 1951 Refugee Convention.

Refugees and Gender: Law and Process — Coventry University

The extent to which gender of the applicant has implications for the procedural and substantive consideration of the claim is also highlighted. Detailed information is provided on the implications of gender in asylum law, policy and practice in the UK, with comparative case law from other countries, including Canada, the USA and Australia.

By Deborah E. Anker, Paul T. Lufkin. International refugee law is undergoing an important transformation, catalyzed by attention to women's issues in general, and the development of new "gender asylum" doctrines and procedures in particular. Here, and in similar developments, the human rights and refugee regimes — the two broad legal systems created by the international community to address human rights abuses — are increasingly likely to find common ground.
