Restorative Justice A Working Guide Restorative Justice is a philosophy and an approach to discipline that moves away from punishment toward restoring a sense of harmony and well-being for all those affected by a hurtful act. It provides families, schools, and communities a way to ensure accountability while at the same time breaking the cycle of retribution and violence. Page 1/5

The expansion of restorative justice in recent years has been nothing short of remarkable; it is often promoted as being more meaningful, humane and cost-effective than traditional criminal justice. While the conventional criminal justice system has tended to conceptualise crime as the violation of the law by an individual, restorative justice seeks to resolve broader conflicts by addressing the wider needs of victims, offenders and the community.

**One minute guide - Leeds**

Restorative practice can be used within the workplace both to prevent this happening in the first place and to address it when it does, enabling teams and individuals to work well together. Where situations have already arisen – for example in cases of disrespectful behaviour, emotional and verbal abuse, intimidation or bullying – restorative practice can be an effective way to resolve them.

**Restorative practice in the workplace | Restorative ...**

‘Restorative Justice’ can be used as an alternative to ‘Punitive Justice’ and focuses on addressing the root cause of the behaviour, what damage the behaviour has done and how to repair the damage.
