Old and homeless, he and a small group of friends known as The Camel Club, witness a murder on Roosevelt Island. I read this book many years ago, but for the life of me, I could not remember very much of it. Except for the fact that Oliver Stone lived homeless across the street from the White house and was a mysterious old man.

The Camel Club (Camel Club, #1) by David Baldacci

Of our four main characters in the Camel Club (a team of conspiracy theorists who act as a government watchdog), only one, Oliver Stone, is of any great interest. The other three, while having distinct character traits, aren't really developed and it took me most of the book to remember which one was which.
