Walter Block - A Case for Donald Trump Normative theories of the Media (CH-05) COVID-19: Good News and Why God Allows Evil? (LAST MINUTE) The Case Against Consequentialism Reconsidered

About this book. This book argues that critics of consequentialism have not been able to make a successful and comprehensive case against all versions of consequentialism because they have been using the wrong methodology. This methodology relies on the crucial assumption that consequentialist theories share a defining characteristic.

The Case Against Consequentialism Reconsidered | Nikil ...

This text interprets consequentialism, instead, as a family resemblance term. On that basis, it argues quite an ambitious claim, viz. that all versions of consequentialism should be rejected, including those that have been created in response to conventional criticisms. The book covers a number of classic themes in normative ethics, metaethics and, particularly, ethical methodology and also touches upon certain aspects of experimental moral philosophy.
