Tyree Daye's Cardinal is a generous atlas that serves as a poetic "Green Book"— the travel-cum-survival guide for black motorists negotiating racist America in the mid-twentieth century. Interspersed with images of Daye's family and upbringing, which have been deliberately blurred, it also serves as an imperfect family album. Cardinal traces the South's burdened interiors and the interiors of a black male protagonist attempting to navigate his many departures and returns home—a place that could both lovingly rear him and coolly annihilate him. With the language of elegy and praise, intoning regional dialect and a deliberately disruptive cadence, Daye carries the voices of ancestors and blues poets, while stretching the established zones of the black American vernacular. In tones at once laden and magically transforming, he self-consciously plots his own Great Migration: "if you see me dancing a twos step/I'm sending a starless code/we're escaping everywhere." These are poems to be read aloud.

In every video replay of the game till the end of time Todd Worrell's foot slaps first And the Cards win the Series They lost the next day. --from "The Cardinals Win the 1985 World Series" The St. Louis Cardinals, whom many called "America's Team" in the early to mid 20th century, are a franchise with a winning past and a fan base that runs coast to coast. A handful of teams, perhaps, can say as much. The club's importance is better shown in its all-time roster, one of the better maps to baseball lore: "Alexander" marks the spot where Lazzeri and the murderous Yankees were bowed, "Gibson" where the hitters gave up hope and at last sent the rules framers to bat for them, "McGwire" where the haughty Ruth was made to doff his cap. This book is a collection of poems devoted to the Cardinals and their fans. It covers more than 100 years of Cardinal people and moments, including celebratory poems for the triumphant squads, detailed portraits--the book's lush prints, as well as the poet's interest in the visual arts, justifies the term--of standout players, and memorial pieces for some of the greats who have passed from the Cardinal Nation.

Expressing the passion felt for the Cardinals using all 26 letters of the alphabet accompanied by rhymes, colorful illustrations, and informative text, this tribute to the St. Louis baseball team explores the sports obsession in a fresh and humorous way. Readers will enjoy fun facts and amusing illustrations of some of the most famous--and infamous--characters in St. Louis history, including Grover Cleveland Alexander, Lou Brock, Dizzy Dean, Bob Gibson, Rogers Hornsby, Stan Musial, Ozzie Smith, and Cy Young.

"Armand Jean du Plessis, cardinal-duc de Richelieu et de Fronsac; 9 September 1585? 4 December 1642) was a French clergyman, noble and statesman. Consecrated as a bishop in 1608, he later entered politics, becoming a Secretary of State in 1616. Richelieu soon rose in both the Catholic Church and the French government, becoming a Cardinal in 1622, and King Louis XIII's chief minister in 1624. He remained in office until his death in 1642; he was succeeded by Cardinal Mazarin, whose career he had fostered."--Wikipedia.
