Cancer: The Emperor of All Maladies | PBS  
While The Emperor of All Maladies is rich with the science and history behind the fight against cancer, it is also a meditation on illness, medical ethics, and the complex, intertwining lives of doctors and patients. Mukherjee's profound compassion--for cancer patients, their families, as well as the oncologists who, all too often, can offer little hope--makes this book a very human history of an elusive and complicated disease.
