In Fulfillment of All Desire, p. 381, Martin writes: "At another time Bernard uses the strong imagery of 'eating' the Lord and 'being eaten' by Him to convey a mutuality of complete indwelling that, while redolent with Eucharistic imagery, extends to an abiding state of relationship." Martin then quotes Saint Bernard:

Ten years ago, when Dr. Ralph Martin published The Fulfillment of All Desire (Emmaus Road Publishing, 2006), he thought he would produce a helpful guide to the Catholic spiritual tradition that perhaps a few thousand people would use. Little did he know it would become a modern spiritual classic. The book is one of the bestselling Catholic books of our time and has been hailed by cardinals, bishops, and spiritual teachers as one of the best guides to prayer.

On this Feast of Corpus Christi, "the fulfillment of all desire" is a perfect theme for a homily. I could easily devote this homily to the word "fulfillment." In fact, St. Thomas Aquinas calls the Eucharist "the fulfillment of ancient figures and the greatest of all his miracles."

The Fulfillment of All Desire Quotes Showing 1-29 of 29 "What the spiritual journey is all about is uniting our will with God's will, wanting what He wants, loving what He loves, living a life that in all its aspects honors Him and gives Him glory."

**The Fulfillment of All Desire Quotes by Ralph Martin**

Fulfillment of all desire for men — women have to be obedient (I have nothing else to say)

Winner: Honorable Mention from the Catholic Press Association Ralph Martin, drawing upon the teaching of seven acknowledged "Spiritual Doctors" of the Church, presents an indepth study of the journey to God. This book provides encouragement and direction for the pilgrim who desires to know, love, and serve our Lord. Whether the reader is beginning the spiritual journey or has been traveling the road for many years, he will find a treasure of wisdom in The Fulfillment of All Desire. It is destined to be a modern classic on the spiritual life.

Your Favorite Book Just Got Better Get even more out of the book Fr. Kieran Kavanaugh, O.C.D., calls "a complete blueprint of the spiritual journey." This new Fulfillment of All Desire Study Guide is designed to deepen your knowledge, draw you into prayer, and strengthen your relationship with God. It walks you through the essentials of each stage on your journey to God, which Ralph Martin describes in The Fulfillment of All Desire. Each chapter of this Study Guide includes a brief summary of material covered in The Fulfillment of All Desire, questions for comprehension and reflection, further information, and an index of key terms. A glossary at the back of this Study Guide contains concise definitions of all those key terms. The Fulfillment of All Desire Study Guide can be used for group study or independent reading.

As elegant as his bestselling How to Know God and as practical as his phenomenal The Seven Spiritual Laws of Success, this groundbreaking new book from Deepak Chopra contains a dramatic premise: Not only are everyday coincidences meaningful, they actually provide us with glimpses of the field of infinite possibilities that lies at the heart of all things. By gaining access to this wellspring of creation, we can literally rewrite our destinies in any way we wish. From this realm of pure potential we are connected to everything that exists and everything that is yet to come. "Coincidences" can then be recognized as containing precious clues about particular facets of our lives that require our attention. As you become more aware of coincidences and their meanings, you begin to connect more and more with the underlying field of infinite possibilities. This is when the magic begins. This is when you achieve the spontaneous fulfillment of desire. At a time when world events may leave us feeling especially insignificant and vulnerable, Deepak Chopra restores our awareness of the awesome powers within us. And through specific principles and exercises he provides the tools with which to create the magnificent, miraculous life that is our birthright.

The question of whether and how people who have not had the chance to hear the gospel can be saved goes back to the beginnings of Christian reflection. It has also become a much-debated topic in current theology. In Will Many Be Saved? Ralph Martin focuses primarily on the history of debate and the development of responses to this question within the Roman Catholic Church, but much of Martin's discussion is also relevant to the wider debate happening in many churches around the world. In particular, Martin analyzes the Dogmatic Constitution on the Church, the document from the Second Vatican Council that directly relates to this question. Contrary to popular opinion, Martin argues that according to this text, the conditions under which people who have not heard the gospel can be saved are very often, in fact, not fulfilled, with strong implications for evangelization.

An outstanding book on prayer and the spiritual life written by one of the best spiritual directors of our time. Dubay synthesizes the teachings on prayer of the two great Doctors of the Church--St. John of the Cross and St. Teresa of Avila--and the teaching of Sacred Scripture.

BASED ON NATURAL laws which govern all of creation, this book shatters the myth that success is the result of hard work, exacting plans, or driving ambition. In The Seven Spiritual Laws of Success, Deepak Chopra offers a life-altering perspective on the attainment of success: Once we understand our true nature and learn to live in harmony with natural law, a sense of well-being, good health, fulfilling relationships, energy and enthusiasm for life, and material abundance will spring forth easily and effortlessly. Filled with timeless wisdom and practical steps you can apply right away, this is a book you will want to read and refer to again and again.

The concept of well-being is one of the oldest and most important topics in philosophy and ethics, going back to ancient Greek philosophy. Following the boom in happiness studies in the last few years it has moved to centre stage, grabbing media headlines and the attention of scientists, psychologists and economists. Yet little is actually known about well-being and it is an idea that is often poorly articulated. The Routledge Handbook of Philosophy of Well-Being provides a comprehensive, outstanding guide and reference source to the key topics and debates in this exciting subject. Comprising over 40 chapters by a team of international contributors, the Handbook is divided into six parts: well-being in the history of philosophy current theories of well-being, including hedonism and perfectionism examples of well-being and its opposites, including friendship and virtue and pain and death theoretical issues, such as well-being and value, harm, identity and well-being and children well-being in moral and political philosophy well-being and related subjects, including law, economics and medicine. Essential reading for students and researchers in ethics and political philosophy, it is also an invaluable resource for those in related disciplines such as psychology, politics and sociology.

A humble prayer calls down fire from above, and as we learn to live a life rooted in prayer, this heavenly fire grows into a profound awareness of the presence of God. This is the deepest purpose of prayer, and making this journey is essential for reaching the heights of holiness for which we were made. In Fire From Above, Dr. Anthony Lilles, Academic Dean at St. John's Seminary in California, shows you how to put your whole life in conversation with the Risen Lord within the Catholic tradition of spirituality. The wisdom of great saints and mystics will help you discover how to surrender your pride and appeal to God with humble trust, and how prayer addresses your deepest human needs. Dr. Lilles then shows you how the mystery of prayer unfolds, and how God provides heroic levels of courage and deep internal resolve through humble and persevering devotion. You'll examine how spiritual battles and dryness in prayer are essential to reaching communion with God, including the dark night of the soul. In these remarkable pages, you'll also explore: Why finding time to pray is always possible and necessary even when life is busyHow the proper use of sacramentals can render the heart more vulnerable to God's saving power while protecting it from evil.Practical ways to confront self-deception and other challenges to contemplative prayer.How forgiveness and bearing hardships are means for spiritual maturityThe indispensable role of Our Lady in the life of faith Read these pages, and you'll soon embark on the epic adventure which is the life of prayer, and you'll find encouragement to desire neither the goods nor the experiences of this world, but instead to pursue alone the Lord and His divine plan for your life.
