The first step to solving homelessness is acknowledging that its victims are people. Regular people. Fathers. Mothers. Veterans. Whole families. Folks who fell on hard times and lost their core foundation of being human — their homes. Take a moment and watch any video on this page. We're confident you'll think differently about ...

Invisible People - Changing The Story of Homelessness

Invisible People is an American 501 non-profit organization working for homeless people in the United States. The organization educates the public about homelessness through storytelling, educational resources, and advocacy. The organization was founded in November 2008 by activist and former television executive, Mark Horvath. Interviews are posted on its website and other social media outlets. The organization has interviewed homeless people in over 100 cities across the United States, Canada,

Invisible People (Organization) - Wikipedia

The Invisible People is a revealing and at times shocking look inside the United States's response to one of the greatest catastrophes the world has ever known -- the global AIDS crisis. A true story of politics, bureaucracy, disease, internecine warfare, and negligence, it illustrates that while the pandemic constitutes a profound threat to U.S. economic and security interests, at every turn the United States has failed to act in the face of this pernicious menace.

Amy Chen's delightful series, Invisible People, is a collection of picture books that show children how to relate kindly to the domestic workers, construction workers, and bus drivers in their society. This book series highlights some of the invisible people in our society: domestic workers, construction workers, and bus drivers. Even though these workers have played and continue to play a key part in contributing to Singapore's growth, they are often treated with disdain and disrespect.

Causes of Homelessness - Invisible People

Much of the appeal of Invisible People lies in how it twists and morphs with the elegance of a lava lamp, alternating contractions with expansions, always threatening to get seriously trippy without ever quite getting there. Floating above this long-legged, loping funk are period analog synthesizers, fuzz-drenched riffs, candied harmonies, wah-wah guitars, lounge pianos -- a bunch of retro affectations that retain their snazzy hipness since Chicano Batman smartly inverts expectations ...

People with disabilities have been described as "the invisible victims" of the coronavirus, accounting for six out of 10 COVID-19 deaths, MPs in a debate in Parliament heard. While 14 million people live with a disability in the UK - making them the largest minority group in the country - many feel "forgotton" according to Dr Lisa Cameron, the chair of the disability all party parliamentary group.
