4 Stars. Moth by Daniel Arenson is a great start to another fantasy series that stands out by focusing on the wonderful world that Arenson has created. One half the world stuck in the light, the other the dark. Two separate races come to war as the sun demons invade the lands of demons of Shadow.

the world used to turn.

They say that night
would follow day in an
endless dance. They say
that dawn rose, dusk
fell, and we worshiped
both sun and stars. That
was a long time ago.

The dance has died. The
world has fallen still.

We float through the
heavens, one half
always in light, one half
always in shadow.
