The foreign aid budget was set at £ 15.8 billion before the pandemic and has already been cut by billions due to the fall in gross national income. ... More from Politics.

Rishi Sunak wants cut in foreign aid to be in spending review

In political economy discourse, aid is a focus of world attention. A school of thought sees it as developed nations ' hands of " friendship " to the less developed ones; a way of promoting growth, development and peace. Another school sees it as a way of promoting the national interest of donor nations.

The Political Economy of Foreign Aid: An Overview of the ...

Politicians use distortionary taxation and foreign aid to finance productive government spending and transfers to their political supporters. I contrast how foreign aid is used under three extreme, alternative political regimes that fall out naturally from this framework. An Elitist government maximizes the welfare of a fixed ruling coalition.
