Eschatology / ɛs k ət ɪ d ɪ / is a part of theology concerned with the final events of history, or the ultimate destiny of humanity. This concept is commonly referred to as the "end of the world" or "end times". The word arises from the Greek *eschatos* meaning "last" and *-logy* meaning "the study of", and first appeared in English around 1844.

Cultural myths don ' t just entertain us and record historical events. They also serve to explain why the world is the way it is. Hence the prevalence of stories designed to give a reason for some mystery of existence. In the Bible, we have the Tower of Babel, which explains why we have different languages.
