The Visual Toolbox: 60 Lessons for Stronger Photographs is author David duChemin's conception of a "curriculum" for the first year of a photography school that doesn't exist, but could. It's what he calls "the bones" a year's worth of lessons and assignments for photographers who want to do more than just master their cameras; it's for those who want to create photographs.

~~Visual Toolbox Lessons Stronger Photographs~~

Most of those lessons are accompanied with real-life, honest-to-God assignments to get you out there learning how to make stronger photographs, not just learning to use a camera. The Visual Toolbox is 201 pages long: a big, gorgeous, PDF eBook, filled from front to back with the stuff that will make you more comfortable with the tools of your craft and more fluent with the language of this art.
