What Makes a Great Exhibition? eBook: Marincola, Paula ...

This book is a good analysis of what makes a great exhibition. What makes it and why? what makes it and what not? The book presents and compiles all great exhibitions that have taken place. The only thing is the book material is rough and the mis-an-pag é of lines and font is terrible. Tough but great read :)

what makes a great exhibition

We favour exhibition publications which are more inherently book-like: ie, they have coherent narrative texts by single authors (rather than a series of multi-authored essays), illustrations which are integrated with the text (rather than being in separate plates sections) and a checklist of exhibited works which is hidden away at the back, or printed separately for visitors to the exhibition.
