Gun laws in Australia are  
predominantly within the  
jurisdiction of Australian  
states and territories, with  
the importation of guns  
regulated by the federal  
government. In the last two  
decades of the 20th century,  
following several high-  
profile killing sprees, the  
federal government  
coordinated more restrictive  
firearms legislation with  
all state governments.
