Evangeline Teale has been living a quiet, low key life but then her lover from her thousand lifetimes returns once more to try for a happily ever after, now that she's removed her cruel father from her life-permanently. Ardis finds his status as a vampire distasteful and longs to be a living being again. He persuades Evangeline to kill her wicked witch mother before she decides to kill her. He also wants her help locating an ancient grimoire that may contain a spell that will change him back to a living human being again, only the last known place the spellbook was was in the hands of the powerful vampire who changed Ardis centuries ago. There is much at stake as they struggle to not lose one another again in this lifetime. Will they succeed in finding their happily ever after at long last?
